THE COOKS THAT SPOILED THE BROTH

It is quite unbelievable how the House of Lords are juggling around with our legal system, setting traps by amending the existing articles in the leave EU agreements , cunningly hidden in legal jargon and rhetoric by lawyers, no doubt paid for by the state.

The members of the

HOL have every reason to scupper

At least 70 of the members are, or will be receiving generous pensions from

Brussels.

European borders and national adherence, together with democracy and human rights.

A large proportion of the members belong to 'the global elite' as owners of large, world- spanning companies, greedily working for a

New

World

Order, turning most of the people into a slave like race, serving their greedy masters.

The people, who do not have access to the wealth or powerful legal advice of the global elite, have only our country's unwritten constitution and democracy for support, which we

PROMISE, will be guarded by our very lives.

Bearing in mind that all these amendments to the originally withdrawal agreement has to be re-negotiated with

EU, it certainly will not be possible in time for the deadline.

International law on

ALTERATION states that

ANY changes made to the original agreement by the one part, without the agreement of the second part, renders the agreement null and void.
